2013 Webinar Series
The Search for Compliance

VALUE BEHAVIORAL HEALTH of PENNSYLVANIA
A VALUEOPTIONS COMPANY

Beginning in May 2013

VBH-PA will be presenting monthly compliance webinars

The Search for Compliance webinar series will include:

1. Compliance and regulation technical assistance on specific topics
2. Provider Question and Answer (Q&A) session on compliance

The topics and Q&A sessions of the webinar series will assist providers with **the search for compliance**. The webinar series will focus on compliance topics, such as, locating the regulations, keeping complete medical records, preparing for oversight audits, achieving specific level of care requirements, and determining Medicaid billable and non-billable activities.

The Search for Compliance will begin with the following:

Wednesday, May 1, 2013 10:00-11:15AM

- **Provider Responsibilities in PA Code**
  - Record-keeping
  - Treatment plans

Wednesday, May 22, 2013 10:00-11:15AM

- **Billing Outpatient Psychotherapy**
  - Individual and group
  - Evaluation and management

Registration emails were sent to the distribution list for the ValueAdded. You must register for each training individually. If you did not receive the emails to register for the webinars, please send an email to Melissa.Hooks@valueoptions.com and be sure to enter **The Search for Compliance** in the subject line.

The remaining schedule of the series will be posted in the monthly ValueAdded. To sign up for the ValueAdded, please visit: **http://www.vbh-pa.com/provider/value_added_newsletter_archive.htm**
