FAC Mission Statement

The Mission of the Family Advisory Committee is:

- To promote and enhance effective communication between Value Behavioral Health of PA HealthChoices consumers, their families and other stakeholders;
- To increase consumer and family access to information and treatment options;
- To increase quality of care by utilizing family expertise and perspectives; and
- To provide a forum for consumer families to share and exchange ideas, knowledge and support.

In pursuing this mission, the Family Advisory Committee will make every effort to represent the views of the consumer community, with the goal of ensuring appropriate delivery of behavioral healthcare services to HealthChoices members.
