

VALUE BEHAVIORAL HEALTH *of* PENNSYLVANIA

A VALUEOPTIONS COMPANY

The goals of **Value Behavioral Health of Pennsylvania, Inc. (VBH-PA)** and the **HealthChoices** programs are:

- To improve access to health care services for MA recipients
- To improve the quality of care available to MA recipients
- To stabilize Pennsylvania's MA spending

The Pennsylvania Service Center houses a full continuum of services starting with Member and Provider Services, including Network Management and Provider Relations, Utilization Management, Quality Management, Claims processing, Finance, and Information Systems.

On July 1, 2007 **Value Behavioral Health of Pennsylvania, Inc. (VBH-PA)** began managing the behavioral health services for Crawford, Mercer, Venango, and Cambria Counties. Since 1999, **VBH-PA** has been managing the behavioral health services for nine counties (Armstrong, Beaver, Butler, Fayette, Greene, Indiana, Lawrence, Washington, and Westmoreland) in southwestern Pennsylvania as part of the **HealthChoices** program.

VBH-PA now provides mental health and substance abuse services to approximately 250,000 Medical Assistance (MA) recipients in 13 Western Pennsylvania counties.
