Two FREE trainings hosted by the Northeast
Addiction Technology Transfer Center (NeATTC)
at one location on one day!

Understanding Evidence-Based Practices and Implementation

Tuesday September 23rd
9:00 - 11:30 A.M.

*This training introduces participants to evidence-based practices,
how to choose among them and what it takes to apply them in
treatment settings.*

Promoting Awareness of Motivational Incentives in Treatment

Tuesday September 23rd
1:30 - 3:00 P.M.

*Positive rewards have shown to increase client retention in treatment
and be a strong predictor of positive treatment outcomes when
compared to treatment alone. This training is designed to build
awareness of Motivational Incentives, a science-based therapeutic
strategy based on B.F. Skinner's operant conditioning principles.*

They are FREE of charge and will be held at:
Southwest Behavioral Health Management, Inc.
2520 New Butler Rd
New Castle, PA
