

Service Class Changes

Effective August 1, 2011, Outpatient Substance Abuse service codes will have its own service class, OPR. The service codes listed below will be moved from the OUT service class to the OPR service class. After the change has been made, OPR will have only Substance Abuse outpatient codes and OUT will have only Mental Health service codes. Going forward it will be extremely important to submit claims with the correct diagnosis codes. Mental Health services need to be billed with Mental Health diagnosis codes and Substance Abuse services need to be billed with Substance Abuse diagnosis codes.

ProviderConnect users will be able to enter OPR requests as of August 1, 2011, for authorizations that will start services September 1, 2011. OPR will be one of the choices in the drop down list.
